

Petition to Request Extension of Time

Continuation-in-Part (CIP)
Application No.: 10/650,912
Patent#6610337
Examiner: Charesse L. Evans
Art Unit: 1615

This letter serves as a request for an extension of time to avoid abandonment of the CIP application for the invention entitled, Drops of Honey.

The missing parts of the nonprovisional application including (1) the declaration and (2) the replacement abstract are enclosed. A check (#1631) for the amount of \$120.00 is also included for the extension fee (\$55.00) and for the late oath or declaration surcharge (\$65.00).

The reason for the request for extension is because the inventors are petitioning to make an amendment to the claims added to the CIP.

The inventors understand that they have one month to file the amendment in order to avoid abandonment.

Thank you,

Dorothy L. Carlone
